# Become a Sponsor

Council on Aging invites you to become a sponsor of our region's premier conference in the fields of aging and disability services.

Council on Aging's 2025 Forum on Aging will take place March 4-5 at the Sharonville Convention Center. Forum on Aging is an annual, two-day conference attended by more than 500 professionals who work on behalf of older adults and people with disabilities. Attendees can earn up to 12 Continuing Education Units (CEUs) while networking, learning and seeking inspiration from nationally respected keynote speakers and workshop leaders.

For more than 35 years, Forum on Aging has been one of the best values around for professionals to earn required CEUs. The conference depends on the generous support of sponsors like you to help build a symposium that meets the needs of today's professionals. It's easy to become a sponsor, with several a la carte sponsorship opportunities offered for organizations of all sizes. A new opportunity this year is the Networking Event sponsorship, which will enhance your company's visibility and brand.

Please become a sponsor today! Read on for information about sponsorship opportunities or contact Amy Leonhardt: [aleonhardt@help4seniors.org](mailto:aleonhardt@help4seniors.org) or (513) 345-3367.

## Sponsorship Benefits

We offer ample opportunities to promote your brand and share your message with leaders and professionals who work with or on behalf of older adults and people with disabilities.

- Visibility with hundreds of decision makers in long-term services and supports
- Recognition before and during the event: printed conference materials, social media and online
- Complimentary conference registrations. All sponsorships include access to breakfast and lunch on both days for two people. (Complimentary conference registrations vary by sponsorship level.)

**“There is always a wonderful turnout at the event!”**
