

Tuesday, March 4, PM Workshop 3

Epilepsy Management for an Aging Population

Speaker: Matthew Dailey, M.D.

Dr. Matthew Dailey completed his medical degree at the University of Toledo College of Medicine in 2019. He is currently working in the Neurology Department at the University of Cincinnati Medical Center, where he specializes in Neurology. In this capacity, he offers comprehensive diagnosis and treatment for epilepsy, as well as surgical evaluations. He actively participates in weekly surgical conferences that involve collaboration with colleagues from epilepsy, neurosurgery, radiology, and neuropsychology. Additionally, he provides outpatient care for general neurology and epilepsy patients, and he lectures medical students and neurology residents at the University of Cincinnati.
